We place a high priority on integrity, dependability, punctuality, extraordinary customer satisfaction and going above and beyond the job profile. We offer a great work atmosphere, competitive salary, flexible schedule, and healthcare benefits.

### **Our Company Expectations**

- Show up on time.
- Show up ready to work.
- Focus on the client experience.
- Be kind to all. (Kill them with kindness)
- Be effective. Not perfect.
- Take time to refresh and relax.
- Respect your coworkers & be part of the team.
- Strive to be physically & mentally fit.
- Have emotional stability.
- Set personal & professional goals.
- Dress appropriately.
- Persevere when difficulty arises.

## **Our Principles**

- Yes Mindset
- No Excuses
- No Regrets
- Take Responsibility
- Have Accountability
- Make the Decision

## **Job Summary**

Environmental Technicians assist All in One Home Inspectors in assessing and evaluating the environmental conditions of our clients' homes. This includes checking for things like air quality, mold, asbestos, lead, radon gas, and other potential hazards. Environmental Technicians conduct tests, dig holes to examine the environment, and take samples. It's a crucial role in promoting safe and sustainable living environments.

## **Job Duties**

- Performing well sanitations.
- Collecting well samples.
- Performing wood destroying insect inspections.
- Placing and picking up radon cannisters.
- Septic evaluations (This may require digging and heavy lifting)

## **Physical Requirements**

Some inspections may require digging. Must be able to lift and carry a minimum of 75 pounds. Environmental Technicians need to be willing to work outdoors year-round.

## **Key Skills**

- Strong attention to detail.
- Strong verbal communication skills.
- Exceptional organizational skills.
- Well-developed empathy for working with clients.
- Ability to interpret and analyze data.
- Concern about doing things the "right way".

### **Compensation and Benefits**

- \$17-\$22 per hour
- Medical, dental and vision insurance
- 401(k)
- Life insurance
- Health savings account
- Employee discount
- Parental leave
- Paid time off
- Professional Development Assistance

### **Schedule**

- 8 hour shift
- Day Shift
- Monday to Friday
- Work location: on the road

### **Why Join Us:**

Join All In One, which values your strong work ethic and believes in delivering outstanding service. As an Environmental Technician, you'll have the opportunity to make a meaningful impact on our clients' satisfaction by ensuring they have a safe living environment and contribute to our company's growth and success.

If you're passionate about starting a fulfilling career, possess exceptional communication skills, and are dedicated to giving your community peace of mind that their homes are safe to live in, we encourage you to apply and become a vital part of our customer-focused team.
